The scores for sites AS (N) 17 and AS (N) 18 against the biodiversity objectives (objective 12 in stage 4 and objective 14 in stage 5) have been amended from a red to a yellow to reflect that the site is not designated as a SINC. The score for objective 25 for site AS (N) 18 has also been amended from a red to a yellow to reflect there are some constraints present on the site.

The score for AS (N) 21 against objectives 13 in the stage 4 assessment and objective 15 in the stage 5 assessment has been amended to reflect that there are no archaeological features on the Ty Pwdr site therefore the score has been amended from a yellow to a green.

The Council have also reviewed housing allocation H1.20 – Land at Farm Road, Swffryd. When comparing this site to other sites in the Lower Ebbw Fach, the site performs significantly less favourably due to the biodiversity and landscape value of the site. It is therefore suggested to the Inspector that allocation H1.20 is deleted from the Plan.

As a result there are no housing allocations on SINC's or on land outside settlement boundary with the exception of H1.19 – Quarry adjacent to Cwm Farm Road, Six Bells.
